

metrobotics::Timer

```
classDiagram
    class metrobotics_PosixTimer["metrobotics::PosixTimer"]
    class metrobotics_Timer["metrobotics::Timer"]
    metrobotics_PosixTimer --|> metrobotics_Timer
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'metrobotics::PosixTimer'. A blue arrow points vertically upwards from this box to a white box labeled 'metrobotics::Timer' at the top. This indicates that 'metrobotics::PosixTimer' inherits from 'metrobotics::Timer'.
